### STATUS LETTER

We would appreciate receiving a Status Report on the above-identified application at the earliest possible date.

A review of our files indicates that a response to a previous status inquiry mailed March 3, 2004 was received by the U.S. Patent and Trademark Office in this application and stated that an action was expected in 1-4 months. No action has been received since and a status inquiry filed October 15, 2005 was never responded to.

Respectfully submitted,
